Sommario/riassunto	Containing more than fifty essays by major literary scholars, International Postmodernism divides into four main sections. The volume starts off with a section of eight introductory studies dealing with the subject from different points of view followed by a section that deals with postmodernism in other arts than literature, while a third section discusses renovations of narrative genres and other strategies

and devices in postmodernist writing. The final and fourth section deals with the reception and processing of postmodernism in different parts of the world. Three important as
