Nota di contenuto	Contents; Contributors; A Note from Dorothea Orem; Foreword; Introduction; PART I: OREM'S WRITINGS; PART II: INTERNATIONAL PERSPECTIVES ON OREM'S WORK; References; Index
Sommario/riassunto	Few have approached the fundamental questions of nursing in such an insightful, systematic, and clear-sighted way as Dorothea Orem. This book is a collection of many of the presentations and writings that are not included in her previous books. It presents a fascinating view of the development of Orem's theory of self care deficit over a forty-year period, along with its ramifications for nursing education and practice.
