Sommario/riassunto	""The doctor said that the surgery on my wife's cancer was a failure and that there was nothing more that they could do. I felt as if I was in a bad movie, and everything around me had come to a halt."" ---James G., husband of a cancer victim. Crisis Intervention and Trauma Response are short term, problem-oriented, therapeutic interventions whose goal is to produce constructive change in the life situation of the client as quickly and directly as possible. Written in a lively and informative style, the authors present their successful General Crisis Response model for intervention. Using rea
