Grounded Theory and Hermeneutics: Contradictory or Complementary Methods of Nursing Research?; 11. The Application of Grounded Theory: Issues of Assessment and Measurement in Practice; 12. New Directions in Grounded Formal Theory; Index
Sommario/riassunto	"This uniformly fine book extends and intensifies the dialogue about grounded theory and nursing.... well-designed, well-crafted, and accessible." -- Sally A. Hutchinson, PhD, RN, FAAN. "...the torch has been passed to a new generation of grounded theorists.... The editors

have assembled chapters by many of the best-known scholars in North America."". -- Sandra P. Thomas, PhD, RN, FAAN. What is grounded theory? How is it done? When is it most appropriate to use? Grounded theory can be the research method of choice for nurses seeking to find out how people cope with existing or potential he
