Sommario/riassunto	By balancing written history with the African oral tradition, this book conceptualizes the integrations among diverse peoples of Africa and specifically among the Songhoy people. Drawing from a number of

academic disciplines and original research that documents the oral and literate traditions of the Songhoy people, Hassimi Oumarou Maiga offers a unique interpretation of indigenous Songhoy-African perspectives on African history, culture and education from antiquity to the present day and from continental Africa to the worldwide African Diaspora. In explaining the cosmology, philosophy, val
