Sommario/riassunto	The first biography of Milton based on original research for 40 years, and first to take account of new thinking about 17th-century England. Milton is seen here as flawed, passionate, ruthless, and ambitious, as well as one of the most accomplished writers of the time and author of the most influential narrative poem in English. - ;This book re-examines scrupulously the writings and the life records of John Milton, in the context of a proper understanding of the recent developments in

seventeenth-century historiography. Milton's thought has often been too simply described. The approach here is
