Sommario/riassunto

This book provides a space in which struggles for indigenous knowledge within communities are articulated, valued, heard, and responded to. The volume takes change as its focus, yet acknowledges that the origins and significance of change are frequently found to be unsettling. Contributors explore different understandings of change that forge sustainable, inclusive and just communities and examine issues related to citizenship, resistance, peacemaking, critical literacies, and second chance opportunities. The authors seek to promote advocacy of change that recognises the importance of an in
