Sommario/riassunto	""As far as I am aware, there is no other scholarly book on adult mother/daughter relationships, particularly one that incorporates data from pairs of mothers and daughters...I believe that the contents provide useful material for instructors, researchers, and therapists alike."" - Rosemary Blieszner, PhD. Professor of Gerontology and Family Studies. Virginia Polytechnic Institute and State University. The mother/daughter tie is one that persists well past childhood and it takes on unique characteristics as daughter enter midlife and mothers enter old age. Incorporating vivid descriptions by m
