Strategies; Epilogue: Strategies for Strengthening the Agriculture of the
Middle; Appendix: The Changing Status of Farms and Ranches of the
Middle; Contributors; Index

Sommario/riassunto

Discussing strategies for reviving an 'agriculture in the middle' and creating a food system that works for midsize farms and ranches, this book considers the ways midsize farms can regain vitality by scaling up aspects of small farms' operations to connect with consumers and develop food supply chains that preserve farmer identity.
