Sommario/riassunto	View the Author's website!. Seely, the youngest elected president of California's chapter of the National Organization for Women, combines her own story of third-wave feminism with an overview of the feminist movement and words to guide others. Third-wave feminists are aware of both the victories won by earlier feminists and the problems of class, race, sexual orientation, and internationalism that must still be overcome. This book weaves a deep respect for the foremothers with commonsense discussion of current obstacles and suggestions for direct action, resulting in a work that reminds us of
