

1. Record Nr.	UNINA9910454410903321
Titolo	Promoting increased fertilizer use in Africa [[electronic resource]] : lessons learned and good practice guidelines // [editors] Michael L. Morris, Valerie A. Kelly, Ron J. Kopicki
Pubbl/distr/stampa	Washington, D.C., : World Bank Africa Region, 2006
ISBN	1-280-76581-X 9786610765812 0-8213-6881-8
Descrizione fisica	1 online resource (162 p.)
Collana	Africa Fertilizer Strategy Assessment ESW technical report
Altri autori (Persone)	MorrisMichael L KellyValerie Auserehl KopickiRon J
Disciplina	338.1/8
Soggetti	Fertilizer industry - Africa Fertilizers - Africa Agriculture and state - Africa Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Contents; Preface and Acknowledgments; Acronyms and Abbreviations; Chapter 1 Introduction and Overview; Chapter 2 Agriculture, Pro-Poor Growth, and the Role of Fertilizer; Figures; Tables; Boxes; Chapter 3 Experience in Promoting Fertilizer Use in Africa; Chapter 4 Reasons for Low Fertilizer Use in Africa; Chapter 5 Good Practices for Promoting Fertilizer Demand; Chapter 6 Good Practices for Promoting Fertilizer Supply; Chapter 7 Rethinking the Role of Fertilizer Subsidies; Chapter 8 Summary and Conclusions; References; Index
Sommario/riassunto	Fertilizer use in Africa as compared to other developing regions has been limited. What types of policies and programs are needed to realize the potential benefits of fertilizer in African agriculture? This book summarizes key lessons learned from past efforts to promote fertilizer in Africa, provides an overview of the current state of knowledge concerning technical aspects of fertilizer use in Africa, and presents good practice guidelines for promoting sustainable increases in

fertilizer use.
