

1. Record Nr.	UNINA9910454427903321
Autore	Wender Paul H
Titolo	ADHD [[electronic resource]] : Attention-Deficit Hyperactivity Disorder in Children, Adolescents, and Adults
Pubbl/distr/stampa	Oxford, : Oxford University Press, USA, 2001
ISBN	0-19-028325-4 1-281-34674-8 0-19-802733-8
Descrizione fisica	1 online resource (288 p.)
Disciplina	616.8589
Soggetti	Attention-deficit hyperactivity disorder Attention-deficit-disordered adults Attention-deficit-disordered children Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di contenuto	Contents; Preface; 1. Introduction; 2. The Characteristics of Children with Attention-Deficit Hyperactivity Disorder; 3. The Causes of Attention-Deficit Hyperactivity Disorder; 4. The Development of the Child with Attention-Deficit Hyperactivity Disorder; 5. Treatment of the Child with Attention-Deficit Hyperactivity Disorder; 6. Attention-Deficit Hyperactivity Disorder in Adults; 7. Finding Help; APPENDIX: Diagnostic Criteria: Diagnosis of ADHD in Childhood and Adulthood and Related Disorders; Index
Sommario/riassunto	Paul Wender began his career treating children with ADHD 37 years ago and has treated adults with the disorder for almost 30 years. His exhaustive research and insight gained from clinical practice led to the first book about ADHD in children (Minimal Brain Dysfunction in Children, 1971). Continuing research revealed that in many instances ADHD persisted into adult life, and that adult ADHD included symptoms that were not present in childhood. These findings resulted in his 1995 book Attention Deficit Hyperactivity Disorder in Adults. He also authored the first book for the parents of children
