Sommario/riassunto	It is being recognized more than ever before that the Quality is the Sharpest Weapon to survive, compete and prosper. It calls for eternal endeavour of alternating sequences of activities for control and break through. This virtually implies imbibing Quality Culture by all and sundry in the organization. Efforts need to be focused on analysis of true, adequate and relevant data to be efficiently effective. This in turn requires scientific bent of mind, may we call it a Statistical Culture. Statistics is a science is search of truth. It is a science that serves all other sciences and is m
