Sommario/riassunto	Despite legislation designed to eliminate unfair racial practices, the United States continues to struggle with a race problem. Some thinkers label this a "new" racism and call for new political responses to it. Using the experiences of African American women and men as a touchstone for analysis, Patricia Hill Collins examines new forms of racism as well as political responses to it. In this incisive and

stimulating book, renowned social theorist Patricia Hill Collins investigates how nationalism has operated and re-emerged in the wake of contemporary globalization and offers an interpretatio
