Sommario/riassunto What do you do when you run into a patient in a public place? How do you respond when a patient suddenly hugs you at the end of a session? Do you accept a gift that a patient brings to make up for causing you some inconvenience? Questions like these-which virtually all clinicians face at one time or another-have serious clinical, ethical, and legal implications. This authoritative, practical book uses compelling case vignettes to show how a wide range of boundary questions arise and can be responsibly resolved as part of the process of therapy. Coverage
