Sommario/riassunto	The first account in English of the history of Chinese lexicography traces its development from 1046 BC to AD 1911. It describes the origins and development of primers, thesauruses, dictionaries of

dialects, characters, and technical terms, rhyming dictionaries, bilingual dictionaries, and encyclopaedic dictionaries. - ;This comprehensive account of the history of Chinese lexicography is the first book on the subject to be published in English. It traces the development of Chinese lexicography over three millennia, from the Zhou Dynasty (1046 BC-256 BC) to the Qing Dynasty (1616-1911). Reveali
