Sommario/riassunto	Kentucky native Madeline McDowell Breckinridge (1872--1920) was at the forefront of the suffrage movement at both the state and national

levels. The great-granddaughter of Henry Clay and a descendant of several prominent Bluegrass families, Breckinridge inherited a sense of noblesse oblige that compelled her to speak for women's rights. However, it was her physical struggles and personal losses that transformed her from a privileged socialite into a selfless advocate for the disadvantaged. She devoted much of her life to the struggle for equal voting rights, but she also promoted the antitu
