Sommario/riassunto	Philosophy Beside Itself was first published in 1986. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. The writings of French philosopher Jacques Derrida have been the single most powerful influence on critical theory and practice in the United States over the past decade. But with few exceptions American philosophers have taken little or no interest in Derrida's work, and the task of reception, translation, and commentary has been left to literary criti
