SOCIAL AND ECONOMIC LIFE; SECTION V. SLAVERY; SECTION VI. WOMEN AND COLONIALISM; SECTION VII. VIOLENT CONFLICT; Further Reading; Index; About the Editors
Sommario/riassunto	This reader provides important documents for colonial American history, including new English translations of non-English documents. It reflects current scholarship and teaching that includes all of North America and non-Europeans in the story of colonial America, which is

no longer simply the story of the thirteen colonies that revolted against the British Empire but also of Spaniards, French, Dutch, Africans, and various Native Americans.
