### Sommario/riassunto

The Million-Dollar Idea in Everyone gives you new and exciting ways to make money from your interests, insights, and inventions. With the phenomenon of "open source innovation" it's easier than ever to turn your ideas and expertise into profits. This book shows how lone inventors are being supplanted by everyday experts using blogs, virtual communities, and microbusinesses to bring ideas and inventions to fruition. Whether you just want to make a few extra dollars or start a new business, this handy inventor's guide points the way.
