Sommario/riassunto	This Study Guide for Sell and Sell Short contains 115 questions and answers, including seventeen chart studies. Each question challenges you to focus on some essential aspect of successful trading. Answers to the questions provide detailed explanations of why some replies are right and others are wrong. The three parts of this Study Guide cover all the major areas of trading, including how to buy, manage money, and keep records; how to sell; and how to sell short.
