Nota di contenuto	pt. 1. Foundations of applied communication research -- pt. 2. Methods of applied communication research -- pt. 3. Issues in applied communication research -- pt. 4. Context of applied communication research -- pt. 5. Exemplary programs of applied communication research.
Sommario/riassunto	The Routledge Handbook of Applied Communication Research provides a state-of-the-art review of communication scholarship that addresses real-world concerns, issues, and problems. This comprehensive examination of applied communication research, including its foundations, research methods employed, significant issues confronted, important contexts in which such research has been conducted, and overviews of some exemplary programs of applied communication research, shows how such research has and can make a difference in the world and in people's lives. The sections and
