revolution was televised, but no one was really watching; Chapter 14: Beyond national media systems: a medium for latin america and the struggle for integration; References; Index; Back cover

Sommario/riassunto

The media's role as a mechanism of control throughout Latin America has become increasingly sophisticated. This book provides a comprehensive and critical overview of some of the important media systems in Latin America. It approaches the subject with a country-by-country analysis, exploring the relevant aspects of the media in each society.
