Sommario/riassunto	How is your career going? Do you get the respect and recognition you deserve and sail through corporate life sans any obstacle to impede your ascension up the corporate ladder? Or does the office jungle sometimes threaten to overwhelm you? If you want to improve your efficiency or profitability of the organisation for which you work, learn about the latest management technique or improve a basic skill - like making a presentation or thinking laterally - then this book is not going to help you one tiny bit. If, on the other hand, you want to excel, progress or even just survive in the jungle of
