Sommario/riassunto	Intimate apparel, a term in use by 1921, has played a crucial role in the development of the "naughty but nice" feminine ideal that emerged in the twentieth century. Jill Fields's engaging, imaginative, and sophisticated history of twentieth-century lingerie tours the world of women's intimate apparel and arrives at nothing less than a sweeping view of twentieth-century women's history via the undergarments they wore. Illustrated throughout and drawing on a wealth of evidence from fashion magazines, trade periodicals, costume artifacts, Hollywood films, and the records of organized labor, An Intimate Affair is a

provocative examination of the ways cultural meanings are orchestrated by the "fashion-industrial complex," and the ways in which individuals and groups embrace, reject, or derive meaning from these everyday, yet highly significant, intimate articles of clothing.

2. Record Nr.	UNISA996394879403316
Autore	Lamb Thomas <d. 1686.>
Titolo	A confutation of infants baptisme, or an answer, to a treatice written by Georg Phillips, of Wattertowne in New England, in the defence of infants baptisme [[electronic resource]] : denying the true church to be formed by baptisme, and affirming it to be formed by a covenant acted by a company of believers, to become one, and anothers amongst themselves. Wherein, is plainly discovered that neither infants baptisme, nor yet such a covenant acted, can be Gods ordinance appointed by him for such end, as to constitute true visible churches: as also that baptisme of beleevers, and that only is Gods ordinance whereby true visible churches are rightly constituted and stated in their true being. By Thomas Lambe
Pubbl/distr/stampa	[London, : s.n.], Printed in the yeare, 1643
Descrizione fisica	[8], 51, [1] p
Soggetti	Infant baptism
Lingua di pubblicazione	Inglese
