Sommario/riassunto	Sometimes it's necessary to push beyond the usual limits of the mediation process to achieve deeper and more lasting change. Mediating Dangerously shows how to reach beyond technical and traditional intervention to the outer edges and dark places of dispute

resolution, where risk taking is essential and fundamental change is the desired result. It means opening wounds and looking beneath the surface, challenging comfortable assumptions, and exploring dangerous issues such as dishonesty, denial, apathy, domestic violence, grief, war, and slavery in order to reach a deeper level of transformatio
