Sommario/riassunto	Possibility is a philosophical treatise on the metaphysical concepts of possibility and necessity. Jubien rejects the idea of possible worlds, and starts instead the notion of a physical object and the positing of properties and relations. He has new things to say about such topics as essentialism, natural kinds, and proper names. - ;Possibility offers a new analysis of the metaphysical concepts of possibility and necessity, one that does not rely on any sort of 'possible worlds'. The analysis proceeds from an account of the notion of a physical object and from the positing of properties and r
