Sommario/riassunto	The new edition of this best-selling text provides the most up-to-date single volume history of the European Union from its origins through to the present day. Fully updated and revised throughout, this is the ideal starting point for students and others wishing to read an accessible, readable and comprehensive account of the development of the EU. Topics new to this edition: The impact of the Euro and economic and monetary union. Analysis of post-9/11 splits in the EU over Afghanistan and Iraq, and debates on the New European security order and the threat posed by
