Sommario/riassunto	Taking sexual violence in the form of rape and hetero-psychological/physical abuse, trafficking, and harassment as a point of

departure, the authors of this volume explore questions about the relationship between sex, sexuality and violence in order to better understand the terms on which women's sexual suffering is perpetuated, thereby undermining their capacity for personhood and autonomy. This volume perceives that while sexual violence as a phenomenon is heavily researched, it remains under-theorized. With anti-essentialist views of gender identity, of subjectivity and agency, and of ra
