Sommario/riassunto

This is a definitive and comprehensive history of international organizations from their very beginning at the Congress of Vienna in 1815 up to the present day, and provides the reader with nearly two centuries of world history seen from the perspective of international organizations. It covers the three main fields of international relations: security, economics and the humanitarian domain which often overlap in international organizations. As well as global and intercontinental organizations, the book also covers regional international organizations and international non-governmental orga
