The Courts of Genocide focuses on the judicial response to the

Sommario/riassunto

genocide in Rwanda in order to address the search for justice following mass atrocities. The central concern of the book is how the politics of justice can get in the way of its administration. Considering both the ICTR (International Criminal tribunal for Rwanda), and all of the politics surrounding its work, and the Rwandan approach (the Gacaca courts and the national judiciary) and the politics that surround it, The Courts of Genocide addresses the relationship between these three 'courts' which, whilst orie
