Nota di contenuto	Choices of police leaders in America -- Introducing the chiefs -- A vision for the department and the community -- Implementing the vision : how chiefs make it a reality! -- Strategies for enforcement and working with communities -- Developing a professional police officer : it's a challenge! -- Internal politics, the police chief and police officer empowerment -- External politics and relationships with other partners -- The future of american policing : looking back and forward -- Recommendations for police chiefs and other interested persons.
Sommario/riassunto	Every day the media floods the airwaves with their often-contradictory version of the role and behavior of the police force. Based on this, you might think that police officers either brutally enforce their own interpretation of the nation's laws or use all the modern tools available to carefully and persistently uncover the special clues that lead to the identification and arrest of suspected criminals. Based on interviews with 26 police chiefs, Police Leadership in a Democracy: Conversations with America's Police Chiefs takes a poignant journey through the minds of the me

Sommario/riassunto	This volume presents 18 IMF research studies on the causes and consequences of corruption, as well as how it can most effectively be combated to improve governance, increase economic growth, and reduce poverty. The authors examine how civil service wages affect

corruption, the impact of natural resource availability on corruption, the impact of corruption on a country's income distribution and incidence of poverty, and the effect of corruption on government expenditures on health and education.
