An End and a Beginning, 1985-Present; Conclusion; References; Select Bibliography; Acknowledgements; Index
Sommario/riassunto	In The Modern Balkans, historian Richard C. Hall gives a complete account of the historical events that have shaped the Balkan region of Southeastern Europe. Originally separated from the rest of Europe by culture, politics, and economics, the Balkans have slowly been integrating into Western Europe since the nineteenth century. But this process of economic and political development, following the Western European model, has been far from smooth in the Balkans. As Hall explains, it has often been marked by violence and destruction, the result of many wars and rebellions. T
