Sommario/riassunto

First published in 1937, *Of Mice and Men* has been a staple of American literature ever since. Divided by decade, *The Essential Criticism of John Steinbeck's Of Mice and Men* provides an overview of criticism over the 70 years the book has been in print. Michael J. Meyer has assembled significant articles and book excerpts from critics and reviewers, citing the early book reviews and highlighting some of the most significant essays.
