Sommario/riassunto	""[A] well-integrated volume by...one of the best known political scientists working on women and politics.... [It] includes contributions

by leading scholars in the field, and provides a well-written and accessible overview of the impact of women in office at every level..."" -- Pippa Norris, John F. Kennedy School of Government, Harvard University""This [book] will be the standard-bearer not simply because it contains most of the early research in the field but more importantly, because of
