Sommario/riassunto	This is a significant and timely study of Hegel's social theory - there has been a resurgence of scholarly interest in Hegel in recent years. Since the 1960's 'New Left' emancipatory movements have claimed that women, ethnic minorities, gays and lesbians, and other groups are oppressed. Some liberal theorists have treated their demands for equality as matters of toleration, of securing by law the equal treatment of cultures and conceptions of the good. However, much more is involved. Also at stake are conceptions of identity differences that inform social practices and perpetuate inequalities...
