Sommario/riassunto	Courage and Hope gives voice to the real life experiences of 12 HIV-positive teachers, five of whom are women, from Burkina Faso, Cameroon, Ghana, Kenya, Mozambique, Rwanda, Senegal, Tanzania (both Mainland and Zanzibar) and Zambia. The teachers recount their experiences of discovering their HIV-positive status and how this has affected them in their families, their communities, and their professional lives. Their stories are documented by journalists, emphasizing the human dimension. The voices of these teachers suggest that a number of obstacles are commonly faced by teachers living with HIV
