Sommario/riassunto	The Brookings Papers on Economic Activity, long one of Brookings's signature publications, has new leadership. The two incoming editors have both made outstanding contributions to economic research and the communication of economic ideas to a broad audience. They will ensure that BPEA continues to be a central meeting place for leading scholars analyzing important economic problems. The new editorial team will retain BPEA's focus on empirical research of current issues in macroeconomics and economic policy, emphasizing real-world events and institutions. The journal will uphold its tradition of
