Mitchell Palmer -- The last campaign -- Lonely obstinacy -- Free speech and normalcy -- Last flicker of the dying candle -- Epilogue: amnesty and the birth of civil liberties -- Notes -- Archives consulted -- Acknowledgments -- Index.
Sommario/riassunto	In 1920, socialist leader Eugene V. Debs ran for president while serving a ten-year jail term for speaking against America's role in World War I. In this book, Freeberg shows that the campaign to send Debs from an Atlanta jailhouse to the White House was part of a wider national debate over the right to free speech in wartime. In this story of democracy on trial, Freeberg excavates an extraordinary episode in the history of one of America's most prized ideals.
