[et al.] -- Language diversity and the public interest / Walt Wolfram.
Sommario/riassunto	In the last three decades the field of endangered and minority languages has evolved rapidly, moving from the initial dire warnings of

linguists to a swift increase in the number of organizations, funding programs, and community-based efforts dedicated to documentation, maintenance, and revitalization. *Sustaining Linguistic Diversity* brings together cutting-edge theoretical and empirical work from leading researchers and practitioners in the field. Together, these contributions provide a state-of-the-art overview of current work in defining, documenting, and developing the world's smaller lang
