**Sommario/riassunto**

This is the go-to book for anyone considering a year to re-charge, to follow a passion, to become immersed in another culture, or to find their love of learning again. It includes everything a student, parent, or guidance counselor would want to know about the gap year; including what a gap year is, what it is not, and why it can have a positive impact on a young life. \* Readers can find out what college admissions deans think of the gap year, and how it is becoming an important part of the educational process at top tier universities. \*Economically, the gap year can make a lot of sense i
