Sommario/riassunto	This new edition of Adolescent Pregnancy contains everything a social worker needs to know to address adolescent sexual health risks and the recent rise in teen pregnancy rates. The second edition presents a new focus on cultural competence, presenting up-to-the-minute research on ethnically diverse populations. This edition goes beyond just adolescent pregnancy, discussing STI and HIV risks, as well as drug and alcohol abuse. Other cutting-edge topics include the sexualization

of children, secondary prevention, the impact of abstinence-only  
programs, and controversies over access to birth con
