Sommario/riassunto

relations.

The term "civilization" comes with considerable baggage, dichotomizing people, cultures, and histories as "civilized"-or not. While the idea of civilization has been deployed throughout history to justify all manner of interventions and sociopolitical engineering, few scholars have stopped to consider what the concept actually means.

realities" of imperialism -- Conclusion: The future of intercivilizational

Here, Brett Bowden examines how the idea of civilization has informed our thinking about international relations over the course of ten centuries. From the Crusades to the colonial era to the global war on terror, this sweeping volum
