[et al.] -- Fair wages and foreign sourcing / Gene M. Grossman and Elhanan Helpman -- Organizing offshoring : middle managers and communication costs / Pol Antras, Luis Garicano, and Esteban Rossi-Hansberg.
Sommario/riassunto	Presents a new research program that is transforming the study of international trade. Until a few years ago, models of international trade did not recognize the heterogeneity of firms and exporters, and could

not provide good explanations of international production networks.  
Now such models exist and are explored in this volume.

2. Record Nr.	UNISA996574913203316
Titolo	2021 4th International Conference on Inclusive Technology and Education : CONTIE 2021 : La Paz, B.C.S. Mexico, 27-29 October 2021 : proceedings / / edited by Francisco Javier Alvarez Rodriguez [and three others]
