Sommario/riassunto	This report presents an overview of the work during 2006-2007 of the Department of Reproductive Health and Research, which includes the UNDP/UNFPA/ WHO/World Bank Special Programme of Research, Development and Research Training in Human Reproduction (HRP). The report covers both research activities and the technical support initiatives. Chapter 1 presents some of the general activities undertaken by the Department to advance sexual and reproductive health in the world. It also describes the Department's work in developing a monitoring framework for tracking progress towards the Millennium Deve
