Sommario/riassunto

This new edition of Teaching Secondary English is thoroughly revised, but its purpose has not changed. Like the popular first edition, it balances content knowledge with methodology, theory with practice, and problem-posing with suggested solutions. The tone and format are inviting, while addressing student-readers on a professional level. Rather than attempting to cover everything, the text provides a framework and materials for teaching a secondary English methods course, while allowing considerable choice for the instructor. The focus is on teaching literature, writing, and language--the ba
