Sommario/riassunto

In easily accessible language, this book analyses the impact of Economic and Monetary Union on Small and Medium sized enterprises (SMEs) in Europe. This overarching and widely researched study explains in a jargon-free manner the mechanisms of EMU and its likely effect on SMEs. The book then goes on to explain and examine the results of seven case studies in Germany and France. Answers to many questions that have arisen over the years regarding SMEs and European integration can be found in the pages of this study. In a remarkably well-written and researched book, Birgit Hegge has succeeded in
