Note generali	Reprinted 2000.
Nota di bibliografia	Includes bibliographical references (p. [158]-171) and index.
Sommario/riassunto	This title explores the formation and deformation of the cultural sphere and the effects on culture of globalization. Against many orthodox postmodernist accounts,the author argues that it is wrong to regard our present state of fragmentation and dislocation as an epochal break. Existing interdependencies and power balances are not so easily broken down.
