Sommario/riassunto	This book examines issues of organisation in resistance movements, discussing topics including the integration of the world system, the intersection of networks with discourses of identity, and the possibility of social transformation. Drawing on a number of theorists including Deleuze and Guattari, authors Athina Karatzogianni and Andrew Robinson seek to reinterpret World Systems Theory in order to engage with issues of power, resistance, and conflict in the contemporary world. Discussing contemporary scholarship in global politics, the
