| Sommario/riassunto | Mental health services have changed completely in the UK, and the new edition of ABC of Mental Health has been thoroughly updated and revised to reflect this. Providing clear practical advice on how to |

recognise, diagnose and manage mental disorders successfully and safely, with sections on selecting drugs and psychological treatments, and improving compliance, ABC of Mental Health also contains information on the major categories of mental health disorders, the mental health needs of vulnerable groups (such as the elderly, children, homeless and ethnic minorities) and the
